GARAGE EQUIPMENT INSTALLATION AND SERVICE

Draper Tools have secured the services of Hickleys Garage Equipment to install, service and repair our garage equipment products.

Hickleys are a 94 year old family run business, a long standing customer of ours and they have a network of service engineers throughout the country.

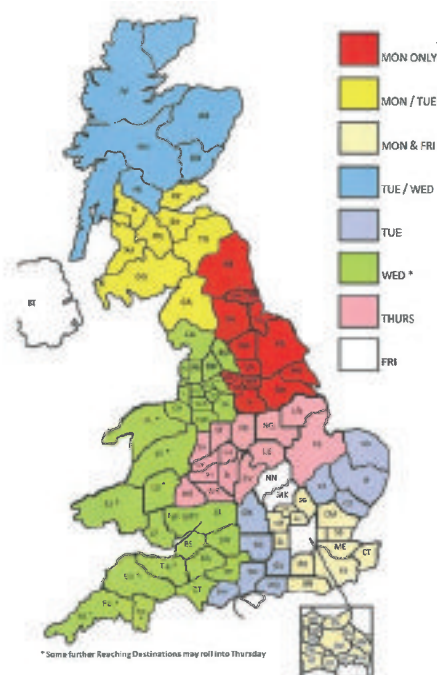

At the time of ordering some of the more technical garage equipment in this book, you will have a choice to use Hickleys to install your new tyre changer, wheel balancer or mid-rise lift, with the option to purchase a maintenance contract too.

There is no self-install option with the laser wheel aligner 01798 on page 3, this can only be installed by Hickleys and the price that we advertise will include installation.

A dedicated email address has been set up, installation@drapertools.com and there is a quotation tab on our B2B site.

The map shows the days your delivery and installation will probably occur, however Hickleys can be flexible with dates and times.

www.Hickleys.com

*Some further Reaching Destinations may roll into Thursday

NEW WA100 DIGITAL 3-D FOUR WHEEL ALIGNER

When customers bring steering issues to technicians, it can be challenging for the technician to see which components are damaged or misaligned. The Draper WA100 3-D Four Wheel Aligner provides a solution, it measures the critical wheel alignment against vehicle manufacturers data. When compared against traditional two-wheel alignment (tracking) systems, our 3-D four wheel aligner achieves far superior results.

A

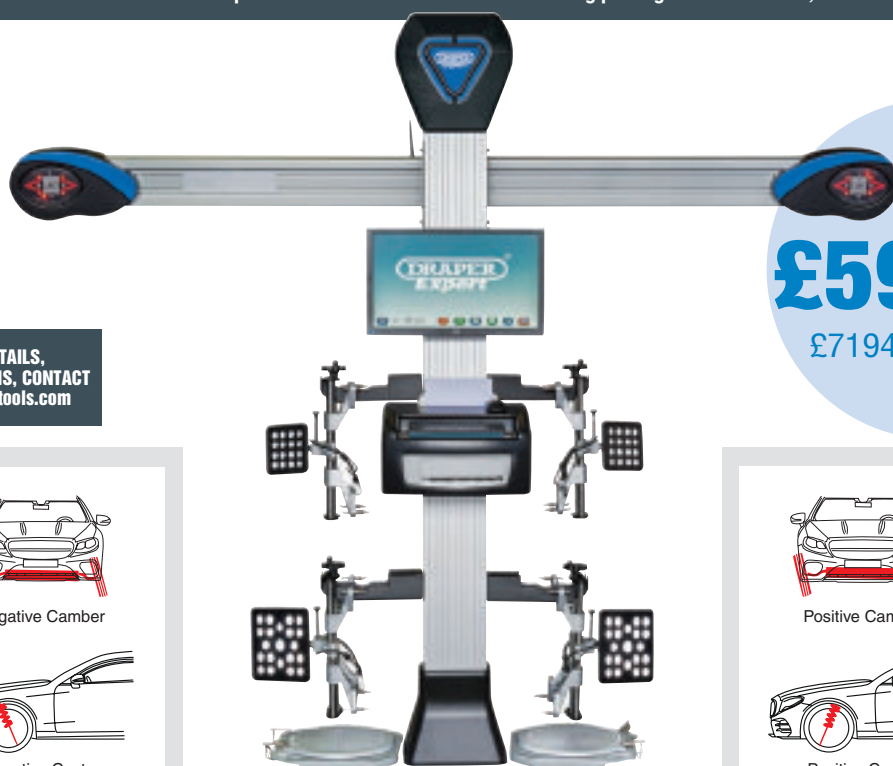

IMPORTANT INFORMATION REGARDING THIS PRODUCT

Full installation is required, please ask your distributor for details or contact installation@drapertools.com. Please ensure you have adequate facilities to unload. Deliveries may incur a carriage cost, please ask for details when ordering.

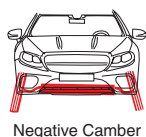

This product will require periodic calibration and servicing. Draper Tools offer this as an optional paid for extra via Hickleys. Please contact installation@drapertools.com for further details. Training packages are available, ask for details.

• Expert Quality

- Simple to operate, guides technicians through the measuring process
- Provides advanced readings and diagnostic information
- Increased accuracy to a multitude of suspension and steering issues
- Ensures cars operate with maximum efficiency, comfort and safety
- Combines accuracy with user-friendly qualities
- Automatically compares the latest technical specifications
- Real-time advanced readings and accurate diagnostic information
- Hi-tech imaging technology • Live alignment readings and diagnostic data
- Unlimited free data updates and software maintenance
- Connected to the cloud via Wi-Fi
- 24" LCD display • 500 mega pixel real-time cameras
- On-board printer • Hi-tech target plates with clamps

Contents: 4 x Target plates and clamps, 4 x Tyre stopper, 4 x Securing bolts, 2 x Turn tables and rubber blocks, Printer, Wireless keyboard, Wireless mouse, Brake pedal holder, Steering wheel holder

TYRE CHANGER WITH ASSIST ARM AND WHEEL BALANCER KIT

• Expert Quality Tyre Changer

- Semi-automatic tyre changer capable of removing and replacing tyres on wheels up to 26"
- Fitted with assist arm to aid user when changing low profile and run-flat tyres
- Fully motorised turntable fitted with pneumatically operated clamping jaws, pneumatic bead breaker and tilt column
- Attached with a self-centering four-jaw chuck guaranteeing that wheel rims are correctly clamped
- Alloy rims are treated especially gently as the mounting head is provided with plastic protectors
- The bead breaker is provided with a large anti-skid rubber pad to preserve tyres and rims
- The machine is operated by a standard 13amp 3 pin plug enabling self installation

**INSTALLATION BY A DRAPER
NOMINATED SPECIALIST SEE PAGE 2
AND INFORMATION BLOCK (A) PAGE 3**

STOCK NO.	02152
Tyre Changer Specifications:	
Motor	1.1KW
Power supply	230V
Bead breaker force	2100kg
Pneumatic supply	80 -115psi (6 - 8bar)
Suitable for use on wheel width	3" to 18"
For rim dia. (internal locking)	13" to 26"
For rim dia. (external locking)	12" to 25"
Max tyre outside diameter	45"
Dimensions	1900 x 1950 x 1650mm
Weight	350kg

Wheel Balancer Specifications:	
Balance speed	200RPM
Power supply	230V
Balance accuracy	1gram
Cycle Time	8-10 seconds
Max wheel and tyre diameter capacity	43"
Max wheel and tyre width capacity	35"
Min/max rim diameter capacity	10" - 39"
Min/max rim width capacity	1.2" - 35"
Max tyre/rim weight capacity	65kg
Dimensions (guard open)	1321 x 1016 x 1651mm
Dimensions (guard closed)	1321 x 965 x 1276mm
List Price Ex. VAT	£3620.00
Typical Price Ex. VAT	£2750.00
Typical Price Inc. VAT	£3300.00

- Supplied with the following accessories: tyre lever, filter unit, alloy rim protectors, head tongue protectors and inflation gun and air hose
- **Expert Quality Wheel Balancer**
- Semi automatic, user friendly, motorised wheel balancer
- Supplied with calibration weight for easy set up, enabling the balancing of wheels up to 24" in diameter, 65kg in weight and with an accuracy of 1 gram
- Suitable for passenger and LGV wheel/tyre combinations
- Fitted with a standard 13 amp plug for easy installation and assembly
- Supplied with the following accessories: 4 x centering cones, centering shaft, wheel weight pliers, hub nut and rim width calipers, tyre lever, filter regulator lubricator to connect your compressed air supply, alloy rim protectors, head tongue protectors and inflation gun and air hose.

INDUCTION HEATING TOOL KIT (1.75KW)

- Easy to use induction heater, operated by simply installing the appropriate coil type and place over or around the ferrous metal you wish to heat
- Each kit is supplied with a hardwearing carry case and four different shaped coils, delivering flexibility of use
- Compared against braziers or welding/heating techniques, induction heaters are far safer and economic, as they don't use a naked flame and you save on gas bottle hire

For over a century, Draper Tools has been providing customers with exceptional service and quality tools. Established in 1919, by Bert Draper, the company is still proudly family owned and run today. While Draper Tools has evolved and expanded, its dedication to product quality and customer service has remained a constant priority.

At 100 years old, Draper Tools continues to be the tool brand you can trust. So much so in fact, that we have a five-star 'Excellent' rating on Trustpilot – don't just take our word for it, take a look at some comments below...

Mr Jordan....."prompt, obliging & highly customer orientated"

Mr Hall....."Exceeding the benchmark in excellent customer service"

Mr Giddis....."Draper = quality"

Mr Robson....."First Class Customer Service and Products"

Mrs Tait....."Exceptional"

Established in 1919, the family owned company has been trading in the UK and Republic of Ireland for 100 years.

The Company's philosophy is simple - high quality products at competitive prices. Products are thoroughly tested prior to leaving the manufacturer and are checked by the in-house Quality Assurance Department.

WIRELESS DIAGNOSTIC AND ELECTRONIC SERVICE TABLET

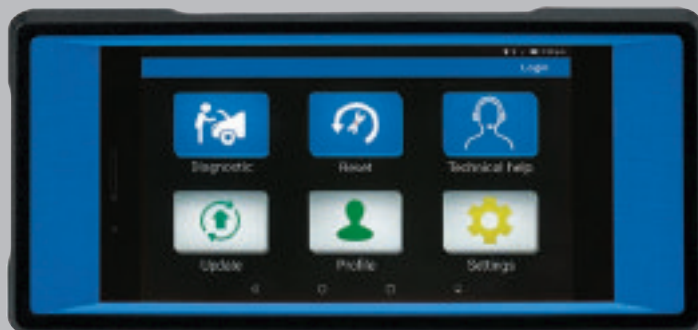

- For the interrogation of engine management systems
- Displays and clears diagnostic trouble codes (DTC's)
- Covers 48 vehicle manufactures
- 10 service functions
- Wirelessly communicates between vehicle and tablet
- Wireless EOBD II connector
- Fully updatable via the internet
- Fully EOBD II compliant
- Features a host of diagnostic attributes including oil resets, EPB, battery management system resets, steering angle sensor resets, ABS brake bleeding resets, diesel particular resets, injector programming, anti-theft matching, TPMS resetting, throttle matching, data record and replay
- All data can be printed via a PC
- Multilingual support
- Supplied with carry case, ID Vehicle to VCI adaptors, USB power cable, 230V to USB plug and VCI WI-fi 16 pin connector

HYDRAULIC SPRING COMPRESSOR

Stock No. 56191

◆ An industrial machine that's your 'total' solution for ALL springs (including all Mercedes model springs) without the need for expensive adaptors!

Fully Independent Top Arms
This means the arms have independent vertical and horizontal movement allowing a wider range of applications.

5000kg Hydraulic Force
Meaning more power than a mechanical compressor.

£1349.00 EX.VAT

£1618.80 INC.VAT

List Price:
£2102.14 ex. VAT

3 Sizes of Jaws
Make this machine universal and suitable for all sizes of springs.

Heavy Duty Full Size Safety Cage
Meaning peace of mind for users and employers.

Specification:

Coil spring capacity - 5 tonnes
Dimensions - 520 x 690 x 1320mm
Upper base travel - 226mm
Lower base travel - 240mm
Weight - 115kg

Supplied with:

1 x Fixing Jaw 30-70mm
1 x Yoke 75-110mm
1 x Yoke 110-140mm
1 x Yoke 140-190mm

Robust Wheels
For full mobility around the workshop and makes the unit easier to store away when not in use.

Strut Leg Vice
Enables clamping of the leg instead of using the jaws, making this machine the solution for all those awkward Mercedes struts.

Heavy Duty Construction
This heavy duty compressor is built for industrial use, weighing in at 115kg.

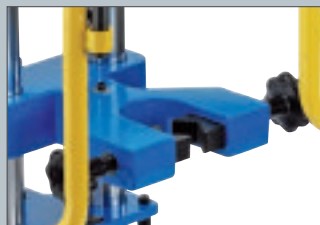

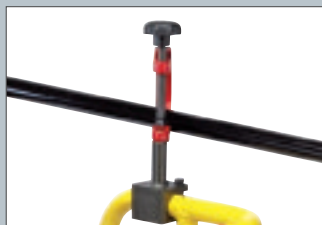

Check Out These Features:

Safety device preventing users from operating the compressor when the safety cage is open

Adjustable upper fixing jaw provides stronger grip

Interchangeable vice and jaws for use on most popular struts.

Lower adjustable base supports the bottom of the strut.

Please ask your local Draper stockist for details of prices on this class leading machine

Ask for copies of the new Draper catalogue and latest workshop booklet detailing more automotive and bodyshop tools and accessories.

For over a century, Draper Tools has been providing customers with exceptional service and quality tools. Established in 1919, by Bert Draper, the company is still proudly family owned and run today. While Draper Tools has evolved and expanded, its dedication to product quality and customer service has remained a constant priority.

At 100 years old, Draper Tools continues to be the tool brand you can trust. So much so in fact, that we have a five-star 'Excellent' rating on Trustpilot – don't just take our word for it, take a look at some comments below...

★★★★★ **Mr Jordan**.....“prompt, obliging & highly customer orientated”

★★★★★ **Mr Hall**.....“Exceeding the benchmark in excellent customer service”

★★★★★ **Mr Giddis**.....“Draper = quality”

★★★★★ **Mr Robson**.....“First Class Customer Service and Products”

★★★★★ **Mrs Tait**.....“Exceptional”
