The background of the slide is a photograph of a city skyline at sunset. The sky is a warm, hazy orange, and the city's skyscrapers are silhouetted against it. Below the skyline, the scene is reflected in a body of water, showing the green foliage of trees in the foreground and the city lights below. The title 'AUGMENTED FUNCTIONALITY' is written in large, white, sans-serif capital letters across the middle of the image.

AUGMENTED FUNCTIONALITY

If your creativity needs more space, Mopar have the solution for you, organising the space of your new Fiat 500X with practical solutions.

Mopar® Connect is the Official feature set of connected services dedicated to Safety & Security and Vehicle Remote Control.

It offers you instant support in case of emergency and an easy vehicle management through digital tools. For further information, Mopar experts at Fiat Authorised Retailers and Workshops will always be at your service.

MY:ASSISTANCE

CRASH ASSISTANCE

In the event of heavy impact, the system sends your position to the operations centre. A my:Assistant operator will contact you and will be able to request help on site.

ROADSIDE ASSISTANCE

In the event of a breakdown, you can talk to a my:Assistant operator who will locate you and send help to your position.

THEFT ASSISTANCE

It will alert you when unauthorised towing is detected and will enable you to receive support and assistance for recovery of the vehicle.

MY:REMOTECONTROL

FIND CAR

Quickly locate the vehicle. The system provides a map with directions to its exact location.

AREA ALERT / SPEED ALERT

The system automatically sends a notification if the vehicle is trespassing into a pre-set area setting or exceeding a speed limit established by the customer.

REMINDER

Receive smart notifications on selected days when exiting the vehicle that will help you to avoid forgetting something inside the car.

MY:CAR

Check the vehicle's status: the fuel level, battery level, tyre pressures, current mileage and door status can all be viewed remotely.

VEHICLE PROTECTION

MAINTAIN YOUR NEW 500X IN TIP TOP CONDITION WITH MOPAR® VEHICLE PROTECTION.

Mopar® Vehicle Protection (MVP) offers a series of service contracts that are designed to give all our customers the pleasure of driving their vehicle without any hitches and concerns. Our product portfolio consists of a wide range of extended warranty and maintenance plans, with a flexible series of coverage tiers, built to accommodate your driving needs. All endorsed by Fiat. Subscribe to one of the MVP plans directly when purchasing a new 500X and include it (if desired) in the FCA Bank financial offer (on selected markets) or within subscription terms of each product. MVP guarantees that all service operations are performed with genuine parts by highly qualified and specialised technicians in authorised Fiat repair facilities, all over Europe. Choose the Service Contract that suits your driving habits best.
