CUSTOMISATION

Multiple accessories for an ever more singular vehicle! The accessories created by CITROËN stylists provide a unique creative space for you to express your personality as you wish.

LIGHT ALLOY WHEELS

Developed and tested with safety and performance in mind, while complying with current standards, our light alloy wheels transcend these natural driving qualities. The pleasure gained from accelerating, cornering and braking is increased many times over. The design emphasises the dynamic lines of your CITROËN. Safety and performance have never been so enticing.
